

# The Mission

To **RESTORE HOMES** and **RENEW HOPE** in an effort to **REACH HEARTS** for Jesus Christ.

Ocoee Outreach is a 501(c)3 non-profit ministry of the Bradley Baptist Association and is associated with the Tennessee Baptist Convention and the North American Mission Board. We take care of all the details and logistics for your visit, which makes it easier for group leaders to be able to serve alongside their teams members and feel at ease.

Our theme for Ocoee Outreach is "Restore - Renew - Reach" is based 1 John 3:16-18 and our Mission Statement. *It is the Mission of Ocoee Outreach to share the Love of Christ with others by restoring homes, renewing hope, and reaching hearts.* Our goal is to use the tool of home repair and outreach to children, seniors and families to introduce them to Jesus Christ!

We offer a very complete missions experience that is customized to fit where your group is spiritually and where God could be moving them. We go beyond just a daily morning and early afternoon experience and set aside Monday & Tuesday evenings for mission work as well. Our Summer Missionaries will serve alongside you - leading by example and creating a positive environment.

**Youth Groups, Church-wide Groups, Families, College Teams, & Men's Teams are all welcome!**

# The Tools

At Ocoee Outreach, your group will be given the opportunity to share Christ's love with others using the following tools:

- Home Repair (primary tool - biggest need)
- Evangelistic Block Parties
- Backyard Bible Clubs & VBS
- Ministry to Assisted Living/Nursing Homes
- Evangelism through canvassing & ministry servant projects
- Sports Clinics
- Your own group Bible Study & relationship building at the famous *Blue Hole* swimming spot on the beautiful Ocoee River at the Whitewater Olympic Center.

On **Sunday & Thursday evenings** we gather together for worship & celebration. Our worship leaders are prepared to take your group to the next level spiritually, to help them understand what passion and service is all about. We celebrate what God has been doing and culminate in challenging your group to be on mission in their own Jerusalem.

On **Wednesday evenings** we will try to connect your group with a local church to either lead, assist in leading, or just participate and visit a midweek youth service or church-wide service.

Friday afternoon and evening is "**fall in love with Southeast Tennessee Day**" with activities such as whitewater rafting on the Ocoee River or enjoy a fun/reward day doing something else that this beautiful area has to offer.
